

EMERGENCY CONTACT

If you are planning to be away from home during your child's stay at Camp Timber-lee, please make sure our office has clear information about how to reach you in case of an emergency. In the event of an emergency situation, to relay an urgent message to your child, please call the Timber-lee main office at 262.642.7345.

DISCIPLINE PROBLEMS

In the best interest of all concerned, and to promote a good camp community experience, any camper whose behavior is, in the judgment of the camp leadership, disruptive or unruly will have their parents notified and could be sent home.

TIPS

Please note that our summer staff are here because they love Jesus and they love kids. As they are paid staff, they are unable to accept gratuity. We kindly ask that you encourage your camper to make and send a thank you card to his or her counselor, or consider a charitable donation to the camp.

HEALTH SERVICES

HEALTH FORMS - If you've been unable to send in your Camper Health Form or complete it online during registration, it is essential that you present it at the time of check-in. Be sure it is signed by a parent or guardian.

MEDICAL CARE - Health care professionals are in residence and on duty for all camps. There is no charge for minor medical attention at the camp infirmary. In case of accident or illness requiring X-rays, medication, prescription drugs, services of a hospital, physician, dentist, ambulance, or related services, the charges will be made to the parents or to the parents' insurance carrier. Parents will be notified in the event medical treatment is necessary. If your child requires a prescription medication to be filled during their stay at camp, reimbursement of those costs may be requested.

MEDICATION - To ensure the best possible experience for all concerned, children must maintain their normal medication patterns while at camp or, if changing, must have any behavior-affecting medications adjusted by their physician and in effect at least four weeks prior to coming to camp. All prescription medications, over the counter medications, as well as vitamins/supplements must be turned in at the time of check-in and will be dispensed by health services staff according to prescription directions. Please do not bring over the counter medication unless your child is on a regular schedule of taking these. If a need arises for an over the counter medication for your camper, it will be dispensed by Timber-lee's health Services Staff from our medical supplies.

THE FINE PRINT

- Final payment for camp is due 5/17/17 or upon registration after that date.
- Cancellations more than one week prior to arrival date will receive a refund less the \$100 non-refundable, non-transferable deposit. No refunds will be made for cancellations within one week of camp start date. No refunds will be made for dismissals due to disciplinary action, late arrivals, or early departures.
- Since campers have been entrusted into the care of Camp Timber-lee, no camper is permitted to leave camp, for any reason, with friends or other family members without the duly signed permission of a parent or guardian.
- Campers do not have access to phones and we cannot transfer calls to campers.
- Camp Timber-lee is not responsible for lost or stolen items.
- Items on the "leave at home" list will be collected, kept safe, and returned at the end of the week.

MISSIONS OFFERING

Timber-lee will provide opportunities for campers to participate in a missions offering. We are excited to share the love of Jesus with others through involvement with the following organizations:

Compassion International - We support three children in Brazil and allow our campers to get to know about them throughout the camp week.

Camping Ministry – Timber-lee has relationships with many camps across the United States and in several countries around the world. Campers will be giving toward the creation of positive Christian camp experiences for young people through one of more of these relationships.
